Introduction

M & R Tracking portal is provided to all customers that has business transactions with M & R Manufacturing plant in Singapore and Malaysia. Its main objective is to provide real time environment to customer with visibility on order management, forecast and other related activities relates to M & R. Upon enrolment into this program, an email will be sent to vendors, providing user id and password and access to web link of the M & R tracking.

A login form with a grey gradient background. It contains the following elements: a 'Username' label next to a text input field containing 'admin'; a 'Password' label next to a password input field with masked characters; a checkbox labeled 'Remember me'; a 'Login' button; and a 'Forgot Password?' link at the bottom right.
